## ❄ Exploring the Snow ❄

The Elementary PE department has worked with students this winter to stay physically active and healthy in the winter months. More student snow pictures coming in the next *Overview*.

## The Prudential Spirit of Community Awards

The Prudential Spirit of Community Awards were created in 1995 to recognize students who have made meaningful contributions to their communities through volunteer service. These prestigious awards are presented annually on the local, state and national level.

Leah McCormick, a senior at the Wellsville Secondary School, has been recognized as a local honoree in this year's program. The Prudential Spirit of Community Awards program allows schools and local service organizations an effective way to congratulate deserving young volunteers and to hold them up as role models for other young people.

Congratulations to Leah on this outstanding recognition!
