August 2019

Dear Students, Parents and Families:

I am delighted to join the community of learners in Wellsville Central School District as the Elementary Assistant Principal. It is an honor to serve in a role that allows me to support students, staff, and families, and to bridge connections between the school and community.

Prior to joining the Wellsville Elementary PRIDE, I worked as a Reading Specialist (K-8) and Literacy Coach for fourteen years. I was also a Staff Developer/Curriculum Coordinator at Cattaraugus-Allegany BOCES and Greater Southern Tier BOCES. While employed at CA BOCES, I had the opportunity to work in Wellsville on several occasions to assist faculty in working toward district goals. I am grateful for the opportunity to join such a dedicated staff and caring community, as we work together to nurture and celebrate students' character, effort, and spirit of inquiry.

The 2019-2020 school year brings countless opportunities to make a positive difference in the lives of students. I am excited to continue our collaborative work around meaningful integration of technology to support learning and understanding, best practices in literacy and mathematics, and the integration of science, math, and the arts, while united as one PRIDE. I look forward to partnering with you to fulfill our shared vision of excellence in education that allows every student to recognize and reach his/her potential.

Warm Regards,

Stefanie Mayr  
Wellsville Elementary Assistant Principal
