

Dear Families!

I am very excited to be changing roles here at Wellsville Elementary School. I can't wait to start as Assistant Principal!

I have been working at WES as a third grade teacher for the past fourteen and a half years. I have lived in Wellsville for more than 10 years with my wife, Mrs. Kewley. She is also a teacher at our school. We have two sons, Landon and Maxwell. Each of them are students at WES. Wellsville is truly my home!

One thing that I have learned about this community is that we look out for each other. That is one of my goals as the Assistant Principal. I look forward to being able to support more students as they learn and grow throughout their elementary years. I also want to support you, the family. I believe that families and the school need to work together, as a team, to help our students reach their full potential.

This Wellsville Lion family is something special. One of the greatest things about a pride of lions is the way that they work together to feed, protect, and raise their cubs. We work together in a very similar way. That is one reason that I am thrilled to continue to be a part of the WES One Pride!

Please feel free to reach out to me with any questions, concerns, or ideas that you may have. I can be reached by calling the elementary school or by email at nkewley@wlsv.org. I look forward to connecting with more students and families!

I hope you enjoy the remainder of your winter vacation with your family. I can't wait to see everyone again on January 4th!!

Sincerely,
Mr. Nate Kewley
