You Must Agree to The Terms of Use Before Proceeding

The District requires that you agree to this contract before the District can provide you with access to the eSchoolPortal information system. Please read this contract carefully. When you agree to this contract, it becomes a legally binding document. The District's goal in providing this service is to promote educational excellence by facilitating resource sharing, innovation and communication. The District will make reasonable efforts to protect students, parents, guardians and teachers from any misuse or abuse as a result of their experiences with this information service. All users must be continuously on guard to avoid inappropriate and illegal interaction with the information service. It is expected that users will comply with district standards and the specific provisions of this contract listed below. The user is personally responsible for his/her actions in accessing and utilizing the school's computer and internet resources. If any user violates these provisions, access to the information service may be permanently denied.

1. Privileges: The online access to information is a privilege, not a right, and inappropriate use, including violation of the District's Code of Conduct, will result in cancellation of this privilege. The administration, staff or faculty of the District may request that the system administrator deny, revoke or suspend a specific user account without notification.

2. Services: The District and its service providers make no warranties of any kind, whether expressed or implied, for the service it is providing. The District and its service providers will not be responsible for any damages suffered while on the system. These damages include loss of data as a result of delays, non-deliveries, incorrect deliveries or service interruptions caused by the system or user errors or omissions. Use of any information obtained from this information system is at your own risk. The District and its service providers specifically disclaim any responsibility for the accuracy of information obtained through this service.
