Game Day Protocol

The below set of guidelines (all subject to change as the season progresses) are what visiting teams will need to adhere to when playing in contests at Wellsville this season:

- **At this time, we are only allowing 4 spectators per athlete for both home and away teams.**
- Face coverings:
 - *o For all winter sports: all spectators, coaches, officials and players are required to properly wear face coverings the entire time. Social distancing is encouraged as much as possible for spectators in the bleachers.*
- **NO FOOD OR DRINKS in the gymnasium.**
- Locker rooms will be available for athletes and officials (MASKS will be required)
- No water jugs will be available. There are bottle fillers in the gym lobby. All players should bring a water bottle.
- Varsity teams can arrive with the JV team and just asked to social distance themselves in the bleachers.
- Basketball/Volleyball: Each player should use the same chair for the duration of the game.
- Basketball/Volleyball: we will provide the balls for warmups. Teams may bring their own if desired.
- Swimming: athletes should have face coverings on while on the deck.
- Wrestling: athletes should be masked at all times, even while on the mats.
- Teams should immediately leave the gym or pool upon completion of the game.
- No postgame team handshakes will be conducted.
- Games in the High School Gym and Elementary Gym will be streamed. The link will be on the rSchool calendar.
