At this time, there are no provisions for BOCES to offer the driving portion of the Driver Education course. The NYS guidelines state that the 24 hours of in-vehicle instruction may be completed **under the supervision of a parent/guardian holding a valid NY State Driver's License**. BOCES will mail the parent/guardian information necessary to complete the driving portion to the permanent address listed on this sheet.

Students accepted into the program must be 16 years or older, have a valid New York State Learner's permit or a valid license by New York State. Students who do not have the necessary permit or license **MUST** obtain one prior to the first day of their class.

These online courses are run by CABOCES and will meet the 24-hour classroom instruction requirement. Parents/guardians required to complete the 24 hours of in-car driving must be completed within 6 months of the start of the course. No cost to families.

**PARENT APPROVAL**

I give permission for my son/daughter to enroll in the Drivers' Education Course.
