SCHOOL	

You can type in each highlighted field and then save the file to email or print and submit.

I have logged into the IRS (Information and Reporting System) for teachers at <http://edp.nysed.gov> (reporting website portal) and verified the Teacher-Student Roster Report and its data elements for accuracy for the following course(s) and section(s):

1.	
2.	
3.	
4.	
5.	

6.	
7.	
8.	
9.	
10.	

And I found that..... (check only one)

The data is accurate

The following inaccuracies need to be corrected:

Course Name	Course & Section #	Student Name	Student ID	Correction (Action) Needed

Signature: (typing your name on this line verifies the data and represents your signature)
