

Finding Class Enrollment History in eSchool

1. When log into eSchool make sure you are in: Staff Schedule Report.

2. Then select the class you want to view.

3. Once select class, click on Class Roster. The class list will appear.

4. Click on Class Enrollment History.

5. A new window appears, you can view the window as is or print it out.

6. Once you are done with this class, close the Class Enrollment History window and then on the upper right of your window you can click on the drop-down button and choose the next class.

7. Repeat the previous steps to view and print additional Class Enrollment History reports.
