Wellsville Central School

126 West State Street

Wellsville, NY 14895

Dear Parent/Guardian:

As a part of your child's requirements for school, as of 07/01/2018, a physical examination is required for students in Prekindergarten or Kindergarten, and in Grades 1, 3, 5, 7, 9 and 11. A law was recently enacted that expands health screenings to include the **dental health** of students in New York State.

We would like to request that your child have a physical examination and we will be requesting a **dental certificate**, as well. On the reverse side is a certificate available for you to take to your child's dentist. Once it is completed, it should be returned to the School Nurse as it will be filed in your child's Cumulative Health Record.

Thank you for your cooperation in this new health endeavor. Our students benefit when we work together to promote the health and achievement of all students.

Please call the school's Health Office if you have any questions or concerns. These forms may also be found on the school's website at <http://www.wellsvilleschools.org/domain/91>.
