

# MID-YEAR REPORT CARD REQUEST

**To: Seniors Applying to College:**

**The mid-year report is a form the guidance office submits that includes your first and second quarter grades from your senior year. Colleges will look closely at your mid-year senior year performance. While not overly-common schools do sometimes rescind offers of admission to those with failing grades. Work hard showing colleges that you are ready to make the dean's list on their campus next fall.**

**If you wish to have your mid-year grades sent to the colleges you have applied to please list the schools below.**
