2023-2024 School Profile

Schedule and Grading

- 2-day cycle, 42-minute periods; most of which meet daily
- Grades are distributed four times during the 40-week school year
- Mid-year grades available the first week in February 2024
- 100-point numerical grading system
- 65% is the minimum passing grade
- Final grades are the average of the four grading periods and the final examination
- For the Class of 2024, Advanced Placement, College Courses, and honors courses are weighted an additional 5%

Class Rank

- Rank is based on the final grade average in all subjects
- Rank includes high school level Foreign Language and math classes completed in Middle School
- Exact rank is reported
- For the Class of 2024, 85 students are ranked

Graduation Requirements
