# A Message from the President of the Board of Education & the Superintendent

Dear Residents,

This has been a most challenging year. As we hopefully turn the corner with the Pandemic, we say thank you for your support in allowing for as much in-school instruction as we could safely manage. Our families' support in keeping students home when they didn't feel well, as well as our faculty and staff's support of all of our new safety procedures, were the most important factors in allowing our schools to remain open for in-school instruction.

We would like to announce the decrease of our tax levy for residents by 2% for the upcoming school year (2021-2022). This equates to a levy reduction of \$164,441 in local tax dollars. In addition, the proposed budget amount will also be reduced by 2%. This year's budget (2020-21) was \$32,213,231. The proposed budget for 2021-22 is \$31,568,830. This is a budget reduction of \$644,401. This was largely achieved through equipment expenses for our capital project being reimbursed by the Smart Schools Bond Act (NY State funded). We hope that you will support us by voting on Tuesday, May 18th. Thank you again!

*Alan Mosher, BOE President*

*David Foster, Superintendent*

## Big 30 Academic Team

The Principal's Association, comprised of both New York and Pennsylvania schools that lie in what is termed the "Big 30 Area", has formulated a selection process that will allow each school to nominate a student to be a participant on the "Big 30 Academic Team."

We are proud to announce that Alexa Hill has been chosen as the nominee for the Wellsville Secondary School for the 2020-2021 school year. The criteria for this award are based on academics,

90% (raw grades, courses studied and their difficulty, college entrance scores, and grade averages, on a scale of 100 being the best), and the other 10% is the student's involvement in and outside of school.

Alexa is a top academic student whose grades and college test scores are exemplary and who has received the highest accolades from her principal. Alexa is a positive contributor in school and in the community.

## Secondary Art News

Although much of this school years' time of in-person learning was diminished, the creative output of students still persisted. The halls of the new Art Suite and lobby are well-adorned with student accomplishments and we are still planning to hang the Annual District Art Show at the David A. Howe Public Library. However, we will not be hosting an opening night reception. The show will be on display Thursday, May 28th through Friday, June 10th and will be open to the public based on the library's hours and policies. The Senior Art Show will still be presented, showcasing 12 graduating students' work and this will be displayed June 8th – 21st at the Secondary School; more information will follow regarding availability to view the show.

Other opportunities students have participated in include Mansfield University's Master Grasshopper show in the Loomis Gallery, where Juniors Michaela Cawley and Quinn Rahr have some of their ceramic work. This show is up until April 22nd, but will be available to view online over the summer.

Graphic art students Rebecca VanBuskirk, Gavan Dickerson, Matthew Carlton and Ryan Haggerty had logo designs submitted for a NYS Education Department initiative "Write on NY". Other graphic art students, Brady Ketchner, Evan McDowell and Nathaniel Howe, completed work for a Scholastic Magazine "Innovators of Tomorrow" Poster contest.

In after-school opportunities, Art Club has been regularly attended since March and Maker-Space is just beginning, both offering more opportunities for students to make and create. Through the BOCES Art in Education Coser, numerous students also participated in The Wellsville Creative Art Center classes offered this year.
