

Parent Pick-Up & Drop-Off

This year due to the increased number of families transporting their own students we have had to make changes to daily pick-up & drop-off procedures:

- Parents will NOW drop off & pick up students in front of the Wellsville Elementary School.
- The back lower parking lot will be the location of bus pick up & drop off; this parking lot will be closed to all vehicles the entire school day.
- Parents PLEASE do not exit your vehicle, just drive along the sidewalk side of your assigned area and drop off your child in the morning. Have you child enter their grade level door (indicated on the map below).
 - Grades PK-2 drop off on the Primary End
 - Grades 3-5 drop off on the Intermediate End
- You will need your "Parent Pick-Up Ticket" (ENCLOSED) to get your student at the end of the day. Display your "Pick-Up Ticket" on your driver side window/ dashboard & we will radio for your child to come outside.
- Pick up and drop off will be staggered. If your student's last name begins with the following letter please come during these time slots:

Last Name	AM Drop-Off Times	PM Pick-Up Times
A-F	9:00- 9:08	2:50- 2:58
G-N	9:10- 9:18	3:00- 3:08
O-Z	9:20- 9:28	3:10-3: 18

If you have multiple last names in your household, please call the Wellsville Main Office at 585-596-2122, so we can assign you a time for your whole family.

****Staff will be present to direct traffic.****

This is a NEW procedure! We are asking you be patient and contentious of other cars and people within our parking lot.
