FIRE ASSEMBLY

Students practiced stop, drop, and roll.

The Wellsville Volunteer Fire Department came to visit with all of the students at Wellsville Elementary School on Tuesday, October 26th. The firefighters talked to students in grades PK- 5 about fire prevention tips including creating a safe place outside their homes in case of an emergency and calling 911. Demonstrations of firefighters putting on their protective gear and 'stop, drop & roll' were also part of the assemblies. Even though the weather wasn't great, the student enjoyed going outside to see the two fire trucks the department brought to the school. Thank you, Wellsville Volunteer Fire Department for being one of our great community helpers.
