Sara is an independent thinker who understands the value of both academics and extra-curricular activities in the development of a well-rounded student. She is indeed a "good citizen" both within her Wellsville Secondary School community and out in the larger "real world" community.

Great Job Sara!

READING UNDER THE LIGHTS

On a beautiful fall night, Wellsville Elementary families gathered on the football field for our second annual “Reading Under the Lights” event. About 80 families joined with their blankets and read books together. The Wellsville Volleyball, Soccer, Baseball, Football, and Cheer teams all had High school students in attendance to read to the Elementary students. A hotdog dinner and a book drawing topped off a great night had by all. Thank you to all the staff, students, and family that made this event possible!

Environmental Class Field Trip

On Tuesday, October 4th Mrs. Wixson's environmental class was able to see the "reality" of what they were learning in the classroom. They went on a field trip to the Niagra Power Vista where they learned first-hand how hydroelectric power is generated. The students were able to experience a hydroelectric power simulator, generate a sustainable society with alternative energy forms and participate in other hands-on activities dealing with alternative energy sources. The Niagra Power Vista is a great educational opportunity for students of all ages, it is also free and open to the public every day from 9am -5pm.
