

With tax deadlines looming, have your personal finances got you down? Never mind the nation's financial problems, do you sometimes feel as though you are facing your own personal fiscal cliff?

If so, help is at hand. You have a free company-paid benefit that offers a wealth of resources to help you get your financial house in order. Just a few of the many resources include:

- Tools for Tough Times, including money saving links and resources to address financial problems
- Tax preparation tools, including calculators, forms, advice, FAQs and more
- Budgeting and debt tools to address financial problems and take control for the future
- College financing, tuition planning and resources for financial aid
- Retirement and estate planning resources
- Consumer resources for home refinancing, car buying and going green

Best of all, these resources are just a click away 24 hours a day, seven days a week by signing in at www.EducatorsEAP.com

Plus, if you have trouble finding what you need, you can contact a Personal Assistant to get help. Just call **1-800-252-4555** or **1-800-225-2527**.
